Stone with Character was founded in 2009 in response to a growing desire in the Perth building industry for reasonably priced, good quality stone. Since our inception, we have forged strong and long-lasting relationships with many of Perth's leading builders and cabinet makers.

Stone with Character is a Western Australian business dedicated to the manufacture of high quality stone products for Perth homes.

We supply Perth's building industry with Reconstituted Stone, Granite, and Marble, for Stone Bench Tops, Splashbacks, Floor and Wall Panelling, Fireplaces, and many other architectural requirements.

Our Suppliers

We supply the building industry with reconstituted stone, granite and marble for stone benchtops, splashbacks, floor and wall panelling, fireplaces, and many other architectural requirements, manufacturing high-quality bench tops for both residential and commercial clients.

As Perth's stone top experts, we manufacture a full range of engineered stone, granite, Caesarstone, Essa Stone, Q-Stone, Quantum Quartz, and Marble products, including kitchen benchtops, bathroom vanity benchtops, splashbacks, fireplace surrounds and wall linings.

We are passionate about providing premium, quality stone benchtops, solid surface products and achieving an optimum quality finish for all benchtops in building and renovation projects

We meet all your expectations, and strive to create lasting relationships with all our customers through trust, quality, and reliability.
